Introduction

You are not backward because of where you live but because you are blind! A truly blind man is the one who is blind mentally. **Mental blindness is the root of all form of backwardness. So, I believe it's time to change.**

Food 4 Thought

- Among the benefits loaded in redemption is an excellent mind.
- Everything outstanding is rooted in understanding.
- At the root of every gain, is the use of the brain.
- If you don't stop thinking ups and down, you won't stop experiencing up and down.

Your worth in life is essentially a product of the active use of your brain.

You are a unique creature, and posse's unusual endowments. There is so much inside you! Only eternity, I think can reveal the total worth of the creature called 'MAN'. I tell you, there is no limitation, cultivation, growth and to the development of human mind.

As a child of God, you have what it takes to make the most out of your life! If ordinary minds have produced the outstanding results we see today, then God is expecting you to do better than that, to produce extraordinary results by the appropriate use of your God-given mind called *'THE MIND OF CHRIST'*.

If those who are not born again are still getting great results, imagine how much God is expecting from you and I.

You don't get sick because of what you eat, you are sick because of what you think.

The state of your life is determined by the state of your mind. Your thoughts hold the key to your life. I have been burdened by the dire need for mental enlargement through supernatural encounters in the body of

Christ. That is the reason for this book. It is to help you discover that your destiny is in your hand.

I want you to understand that it is impossible to think one thing and produce another.

All I'm out to establish in this book is that through appropriate use of your mind, you can produce the changes you desire, for, "as a man thinketh in his heart, so is he..."

I want to help you appreciate the fact that you're not here [earth] to live an ordinary life, but to be an example to multitudes- a pathfinder here on earth. You are a man to be envied not to be pitied by men. You were created, cultivated and crafted with the same material that God is made of. You are God's handy work.

Among the benefits loaded in redemption is an excellent mind. There is an invasion of divinity into your mental region, which gives you a superior mentality! You now have the capacity to operate in the realm of God's wisdom.

When you are redeemed, you receive the baptism of the Holy Spirit, who has a mission to quicken your understanding and make you supernaturally smart in grasping the issues of life for the things of God. Everyone saved is saved to shine, not to suffer frustration. As a matter of fact, the believer can be said to be a celebrity, someone the world should celebrate. There is no insurmountable mountain, no impossible problem, and no temptation without a way of escape. All you need is some mental attention to that situation, and you'll be out of it.

Your contact with this powerful package will bring you to a place where you'll never accept failure again in your life.

New birth is a state of regeneration that affects the totality of man – his spirit, soul and body. However, some Christians erroneously think that the mind is no longer relevant once they are born again. They misunderstand the place and relevance of the use of the mind in the Christian faith, so their lives are void of the beauty that Christianity promises.

Every believer needs to know that God did not kill his or her mind at salvation. Rather He quickened and prepared it for renewal. This means that salvation does not nullify the functionality of your mind.

I'M THINKING DON'T YOU THINK?

Walking in the spirit does not automatically suspend the relevance of your mental faculty; rather, it is upgraded to enhance spirituality, productivity and effectiveness in life.

*The state of your life is determined
By the state of your mind.*

When Christianity is void of the use of the mind, it becomes stupidity. The reason some Christians are held down identify is because they do not engage their minds in working out a way of escape for themselves. For instance, you cannot expect to progress on your job if you do it absent mindedly or work routinely like a robot, without seeking ways to improving on it. But when a man is mentally involved in his endeavours, he will always come up with innovative ways of improving on them.

Even the Bible leaves each man with the responsibility of working out his way out with fear and trembling (Philip. 2:12). So you need to engage your mind, for you to live a productive and a fulfilled life.

At new birth you receive the mind of Christ, hence you have a regenerated mind, which is laden with limitless resources and is capable of generating transformations in every area of human endeavour. But it is your responsibility to stir it up for maximum productivity; otherwise it remains dormant and inactive. A sound mind is one of the greatest gifts we have from God. If Satan cannot get your mind, he can't get you at all. Thinking is not carnal. God is a Spirit; He is the most Holy God, yet He is the greatest thinker. The Bible have this to say about Him *in Jeremiah 29:11, Isaiah 1:18.*

...For I know THE THOUGHTS THAT I THINK towards you, said the Lord-

...Come and LET US REASON TOGETHER, says the Lord

Christianity is not meant to be passive, it is an active life style; it is something that affects your career and the environment around you.

If you are not a thinker, you are ungodly. If God is truly your father, productive thinking should be your identity. *Mental dormancy has been the reason for the backwardness of the Church of Jesus Christ in the past.* We were taught in those days that we have no business with this world except to tell her of her doom, since we are strangers and pilgrims here on earth. Nothing was said to us about being the salt of the earth and the light of the world. We were not told about our earthly relevance, which is to be fulfilled by making our light so shine that men may see our good works and glorify our father which is in heaven. But thank God we are in the season of change.

The church of Jesus is awakening to the utilization of her full potential in God through the use of the brain.

That is why she is fast moving from obscurity into the limelight.

Don't be left behind by the cloud of glory. We have all it takes to search out the goodness of the Lord in the land of the living.

The reason for this book, therefore, is to provoke you into productive thinking. It is my prayer that you will understand the limitless resources of your mind (especially the spiritual renewed mind) and discovers avenues of utilizing the same for your progress and enthronement in life and destiny.

You are created for the top, but it is only obtainable by an effective utilization of your mind.

Mental dormancy has been the reason for the backwardness of the third world countries.

Through the things I will be sharing with you in this book, you will come to the point of personal power that overcomes fear and banishes worry and anxiety.

Ultimately, you will be open to the way of a better, greater, grander, happier and richer life!

I tell you, by the time you're through reading this book, you will accept full responsibility for your life and will have results and a lot to show as a prove that God's word is true.

Enjoy!!!

Chapter One

Your Nature Was Consciously Crafted By God

I want to let you know that your nature was consciously cultivated, crafted and created by God Himself to guarantee you the most enviable destiny on the planet earth. Therefore, you must not pass through this world unnoticed. You must make a mark.

God is a tree – plate God. He is a triune being. The father, the Son and the Holy Ghost is what make God an awesome God. In the same way He created us as triune being, made up of the spirit, soul and body.

Food 4 Thought

** Whatever you keep seen in your mind has the potential for manifestation.*

- The human mind is like elastic, how far you can pull it, is how much it can produce for you.
- Reading gives you information, but reasoning enlarges the mind.
- When you operate in prophetic unction, among the benefits you receive is the quickening of the mind for creative thinking.

I want to let you know that your nature was consciously cultivated, crafted and created by God Himself to guarantee you the most enviable destiny on the planet earth.

God is a tree – plate God. He is a triune being. The Father, the Son and the Holy Ghost is what make God an awesome God. In the same way He created us as triune being, made up of the spirit, soul and body.

God did this for a purpose. To me, it is what I call perfect balance.

It takes a balanced functioning of these three parts of man to realize his full potentials in life. Before the second birth, we all managed to get along only with our body and soul. But at second birth our spirit

man came alive, and grant us access to all that God has created us for and what He want to be: that is, of our earthly value as well as spiritually productive.

The body, which houses the soul in which the spirit man lives in, is his physical form, it operates basically on the five physical senses – sight, smell, taste, touch and hearing. The soul is made up of the intellect, emotion and mind, which is the center of thoughts and reasoning. As a new creature in Christ, you are expected to operate with both your spirit and mind. That is what takes you to the realm of exploits and all-round success, where nothing is impossible to you.

It is, however, unfortunate that many believers are deceived into neglecting the development of their minds, thinking it is no longer relevant to their walk with God. Please note that after new birth, your mind is to be renewed and not removed. The Bible says:

...And be not conformed to this world: but BE YE TRANSFORMED BY THE RENEWING OF YOUR MIND – Romans 12:2

Your spirit is regenerated at new birth; you become a new creature, like a newborn baby. But what becomes of you from then on is determined by the development of your mind. *Your level of mental renewal is what determines the level of glory, honour and victory you will enjoy in life here on earth.*

As a child of God, you are in His class, because like begets like (Ps. 82:6). You are a spirit, just as God is a Spirit (John 4:24). Not only that, 1Corinthians 2:16 says:

Your level of mental renewal is what determines the level of glory you will enjoy.

... We have the mind of Christ.

Not only is your spirit regenerated at new birth, your mind is also upgraded. That means, *the same mental resources with which God created the world and the whole universe is at work in you.*

I'M THINKING DON'T YOU THINK?

Down the ages, by an effective use of the mind, scientists have been able to successfully eradicate or control diverse diseases and sicknesses. If the world has achieved so much by putting the ordinary mind to work, imagine what feats you can achieve when you operate with your renewed mind and regenerated spirit!

Even Satan knows that when you operate with a combination of these two forces, you will beat him hands down.

Your spirit alone is insufficient to both handle the issues of your life and attain success on the earth. This is because whereas your spirit relates with God, your mind is the part of you that relate with your earthly environment. So, it takes a combination of both your spirit and mind to exercise dominion on the earth. That is why the devil's greatest onslaughts against believers is usually in the mental realm. The Bible says: *...that he blinds the mind of men, so as to keep them in darkness, and invariably in bondage. (II Corinthians 4:4).*

You have what it takes to solve all your problems and answer the questions that confront you and your society. You can turn every challenge into wonderful opportunities for advancement. It is my prayer that from henceforth you will begin to put your mind to work, so you can realize your full potentials in life here on earth.
